

## Getting to the Adobe Building, 343 Preston Street By Walking

### Walking Information

#### Little Italy:

With wide sidewalks and inviting shops and restaurants, Preston Street is Little Italy's walkable main street.

Directly across from Young Street, walk up the driveway on the west side of Preston, continue to 343 Preston, Adobe Building

#### O-Train Multiuse Pathway:

One block West of Preston Street is the O-Train Multiuse Pathway which connects the Ottawa River with Dow's Lake and provides a scenic walking route.

To access 343 Preston Street, exit the O-Train Multiuse Pathway at George Street

Walk East on George to Preston (signalized intersection)

Turn left on Preston

Take first driveway right, continue to 343 Preston, Adobe Building

#### Pedestrian access to the O-Train Multiuse Pathway:

Several **footbridges** cross the O-Train tracks to connect residential neighbourhoods west of the O-Train to the Pathway. These bridges are located at:

Hickory Street and Adeline (South of 343 Preston)

Young Street (North of 343 Preston)
