BENEFITS OF SPONSORSHIP

- ◆ Raise your public profile by supporting a unique and creative sustainability cultural event.
- ◆ Build your professional network within the sustainability community.
- ◆ Raise the profile of your services in the local community.
- ◆ Show your support for a sustainable future in the Ottawa region.

YOUR DOLLARS MAKE IT POSSIBLE FOR ENVIROCENTRE TO...

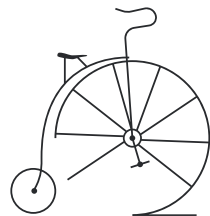

- ◆ Bring environmental action to life in the local community.
- ◆ Support local charities in their path to sustainability.
- ◆ Build and grow a local businesses sustainability network.
- ◆ Grow low-carbon culture in the nation's capital.

EnviroCentre is an Ottawa-based not-for-profit whose mission is to provide people with practical solutions to lighten their environmental impact. We believe that the key to infectious light living is finding great ways to do it, and that a real transition will take off only when creative culture meets low-carbon and fuses into lifestyle choices people actually want. And yes, we really like bikes.

The Bicycle Ball is our way of inviting Ottawa to celebrate and participate in a low-carbon vision for our city. Sustainable choices and having a blast can go hand in hand, and we want you to help us make that happen.
